**Re:** Women-owned Business Enterprise (WBE) Certification  
**Type:** Construction

Dear Mrs. Viennes:

We are pleased to inform you that The Port Authority of NY & NJ has re-evaluated your business and determined that it continues to be eligible to participate in the agency's Women-owned Business Enterprise (WBE) Program. **ATCO Contracting Group, Inc.**, remains in the Port Authority's on-line directory of certified MWBEs, which can be accessed at <https://panynj.diversitysoftware.com/FrontEnd/SearchCertifiedDirectory>.

However, to participate in our construction program for MWBEs, your firm must be qualified. Your construction references are being reviewed by our Engineering Department. Once the review is completed, you will be notified under separate letter.

Please be advised that we periodically review all certifications and reserve the right to decertify any firm that no longer meets our guidelines. You must notify the Office of Business Diversity and Civil Rights in writing within 30 days of any significant changes to your business. These include, but are not limited to, a change of officers, directors, location and business name. Failure to advise us of these changes can result in decertification of your business.

This certification will remain in effect for five years or until August 13, 2025 after which you must submit a recertification application with supporting documentation. The application can be accessed from our website: [www.panynj.gov/supplierdiversity](http://www.panynj.gov/supplierdiversity)

If you have any questions regarding your certification, you may contact me at (201) 395-3939 or via email at [ybautista@panynj.gov](mailto:ybautista@panynj.gov).

Sincerely,

Yamil Bautista
